INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Harris County Sports & Convention Corporation:

Report on the Basic Financial Statements

We have audited the accompanying basic financial statements of the governmental activities and the major fund of the Harris County Sports & Convention Corporation (the "Corporation"), a component unit of Harris County, Texas, as of and for the year ended February 28, 2015, and the related notes to the basic financial statements, which collectively comprise the Corporation's basic financial statements as listed in the table of contents.

Management's Responsibility for the Basic Financial Statements

Management is responsible for the preparation and fair presentation of these basic financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of basic financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these basic financial statements based on our audit. We did not audit the financial statements of Reliant Park Operating Account ("Reliant Park") maintained by LMI/HHI, Ltd., a Texas limited partnership, d.b.a. Leisure Management International (as Manager of Reliant Park), which represents 30.0% and 30.4%, respectively, of the revenues in the government-wide statement of activities and of the revenues of the general fund. Those financial statements were audited by other auditors whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included in revenues in the government-wide statement of activities and in the general fund, is based solely on the report of the other auditors. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Corporation's preparation and fair presentation of the basic financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall financial statement presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, based on our audit and the report of other auditors, the basic financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and the major fund of the Corporation, as of February 28, 2015, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that management's discussion and analysis information on pages 3 through 7 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We and other auditors have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements.

We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Deloitte's Tsuda LLP

August 3, 2015

HARRIS COUNTY SPORTS & CONVENTION CORPORATION

(A Component Unit of Harris County, Texas)

Introduction of the Annual Report

This annual report consists of three parts: Management's Discussion and Analysis (MD&A), Basic Financial Statements, and Notes to the Basic Financial Statements.

The Harris County Sports & Convention Corporation ("Corporation") is a component unit of Harris County, Texas (the "County"), and is included as a blended unit in the County's basic financial statements. This analysis presents information about the Corporation and the operations and activities of the Corporation only. It is not intended to provide information about the entire County.

Management's Discussion and Analysis

The MD&A section of the Corporation's annual report presents an overview of the Corporation's financial performance during the year ended February 28, 2015. It provides an assessment of how the Corporation's position has improved or deteriorated and identifies the factors that, in management's review, significantly affected the Corporation's overall financial position.

The basic financial statements include:

- The statement of net position and balance sheet, which provides the information about the nature and amounts of investments in resources (assets) and the obligations to the Corporation's creditors (liabilities).
- The statement of activities and the statement of revenues, expenditures, and changes in fund balance, which account for the current year's revenues and expenditures and measures the success of the Corporation's operations over the past year and can be used to determine how the Corporation has funded its costs.

The notes to the basic financial statements provide:

- Information that is essential to understanding the basic financial statements, such as the Corporation's accounting methods and policies.
- Details of contractual obligations, future commitments, and contingencies of the Corporation.
- Any other events or developing situations that could materially affect the Corporation's financial position.

The Corporation's Business

The Corporation was created in January 1999 by the Commissioners Court of Harris County, Texas, as a public nonprofit corporation for the purpose of managing, operating, maintaining, and developing the sports and entertainment complex located on the property owned by the County, known as NRG Park (formerly Reliant Park). In addition to generating revenue from park activities, the redevelopment of NRG Park was also done to generate sales and hotel tax revenues and to provide an economic stimulus to the area surrounding NRG Park.

On March 19, 2014, the Corporation's Board approved an agreement with NRG Energy, Inc. (NRG) regarding a rebranding project. Names of all facilities in the complex changed from Reliant Stadium, Reliant

Center, Reliant Arena, and the Reliant Astrodome to NRG Stadium, NRG Center, NRG Arena, and the NRG Astrodome. All costs associated with the rebranding project were paid by NRG.

NRG Stadium—A 1.9 million square foot facility is the home of the National Football League (NFL) Houston Texans and the Houston Livestock Show and Rodeo. Reliant Stadium hosted the 2004 Super Bowl NFL Championship football game, the 2010 National Collegiate Athletic Association (NCAA) Regional men’s basketball finals, and the 2011 NCAA men’s basketball finals. Upcoming events at NRG Stadium include the 2015 NCAA South Regional Men’s Basketball tournament, the 2016 NCAA Men’s Final Four Basketball Championship, and 2017 NFL Super Bowl. In addition, other events such as the Ringling Bros-Barnum & Bailey Circus, Disney on Ice, and Monster Truck shows are held in the NRG Stadium throughout the year.

NRG Center—A 1.37 million square foot exposition and meeting room facility. NRG Center was funded with capital budget funds provided by the County and hosts several major conventions and expositions throughout the year, including the Houston Ballet Nutcracker Market, Mecum Auto Auction, and livestock exhibits associated with the Houston Livestock Show and Rodeo.

NRG Arena—A facility with exhibit halls, meeting rooms, and a clubroom; this facility includes 350,000 square feet of meeting space. Included in the NRG Arena is an 8,000-seat general session meeting area and a 2,000-seat general session meeting area in the NRG Arena Pavilion. Many concerts and shows are held in the NRG Arena during the year.

NRG Astrodome—This 131,000 square foot facility offers 60,000-seat general session meeting space. The NRG Astrodome is currently not available for public use. The Corporation’s Board commissioned a study by the Urban Land Institute to evaluate and provide strategic advice regarding the reuse of the NRG Astrodome. Their study was complete in December 2014 and is expected to be finalized in March 2015.

NRG Park—NRG Park hosted the 2014 Shell and Pennzoil Grand Prix of Houston, an Indy Car racing event. The Offshore Technology Conference is held annually at NRG Park. This conference utilizes the entire NRG Park Complex. Attendance at NRG Park exceeded 4.6 million during the year ended February 28, 2015. This was up from 3.9 million the previous year, a 20% increase.

Financial Analysis

The following sections will discuss the significant changes in the Corporation’s financial position for the fiscal year ended February 28, 2015. Additionally, economic factors and industry trends that have contributed to the Corporation’s operations are provided. It should be noted, that for purposes of the MD&A, summaries of the basic financial statements and the various exhibits presented are in conformity with the Corporation’s basic financial statements in accordance with accounting principles generally accepted in the United States of America.

Highlights

The Corporation’s net position increased by \$8,254,303 during the fiscal year ended February 28, 2015. The increase in net position is primarily due to an increase in revenue from the Harris County-Houston Sports Authority (“Sports Authority”) resulting from a December 2014 debt restructuring. Funds, due to the Corporation, were held by the Sports Authority’s trustee pending completion of the restructuring. In addition, overall expenses decreased as a result of completion of the video board in 2014 with no corresponding expenses in 2015.

Economic Factors

Houston, Texas (“Houston”) is home to sports organizations from the NFL—Houston Texans, Major League Baseball—Houston Astros, National Basketball Association—Houston Rockets, and Major League Soccer—Houston Dynamo. Each of these organizations is located in its own facility that not only allows for highly competitive sporting events but also provides venues for concerts and other entertainment events. These facilities have resulted in the revitalization of surrounding neighborhoods within the Houston area. In addition, attendance to these events helps boost sales, hotel occupancy, mixed beverage and automobile rental taxes that in turn benefit the Houston economy and in some instances support the various venues. The Houston Texans, a major tenant at NRG Park, ranks fifth overall in team value of 32 teams in the NFL. The Houston Livestock Show and Rodeo, a Houston favorite, supports youth, education, and agriculture practices.

Houston has a versatile infrastructure that supports a growing economy. A leading port, the Texas Medical Center, and two large airports help bolster industries located within the greater Houston metropolitan area,

such as energy, technology, and aerospace. More than 104,000 jobs were created in Metro Houston in 2014. Historically, this is one of the best years in recent history. The metropolitan Houston area is considered one of the top areas for corporate relocation and expansion. Growth in construction activity, building permits, and home sales is indicative of a thriving economy. However, it should be noted that with falling oil prices it is uncertain as to what the overall impact on the Houston economy will be going forward.

Capital Assets

The Corporation has been charged with the development and oversight responsibility for the capital assets at NRG Park under a lease agreement initially entered into in 1999 with the owner of NRG Park—Harris County. Ownership of the facilities that have been constructed and improved upon at NRG Park remains with the County and are accounted for by them. The Corporation, on behalf of the County, has retained title and control over most equipment purchased and used in the operations of the NRG Park Complex. At the end of February 2015, the Corporation had total capital assets of \$609,449 (net of accumulated depreciation of \$8,986,287). These capital assets primarily consist of grounds keeping equipment, food preparation and serving equipment, a marquee, and ground transportation vehicles.

Budgetary Controls

The Corporation is not legally required to adopt a budget. However, an operating budget is approved by the Board of Directors (Board) of the Corporation on an annual basis. Review of the budget is done on a monthly basis and reported to the Board. Upon approval of the budget by the Board, the budget is formally transmitted to the Harris County Commissioners Court. This process helps measure the Corporation's financial performance and provides assurance that operational goals are being obtained.

Request for Information

Questions concerning any of the information provided in this report or requests for additional financial information may be addressed to the Director of Finance/Accounting, One NRG Park, Houston, TX, 77054.

RECONCILIATION OF THE GOVERNMENTAL FUND BALANCE SHEET TO THE
STATEMENT OF NET POSITION

FEBRUARY 28, 2015

TOTAL FUND BALANCE FOR GOVERNMENTAL FUND \$ 24,969,454

AMOUNTS REPORTED FOR GOVERNMENTAL ACTIVITIES IN THE
STATEMENT OF NET POSITION ARE DIFFERENT BECAUSE:

Capital activities used in governmental activities are not financial resources and therefore are not reported in the funds. Those assets consist of \$9,595,736 equipment—net of \$8,986,287 accumulated depreciation.

609,449

Long-term liabilities applicable to the Corporation are not due and payable in the current period and accordingly are not reported as fund liabilities. Interest on long-term debt is not accrued in governmental funds, but rather is recognized as an expenditure when due. All liabilities, both current and long term, are reported in the statement of net position. Deferred charges consist of net issuance costs related to long-term liabilities. The amounts paid in issuance costs are from governmental funds and reduce fund balance in the governmental fund-level financial statements. Amounts are deferred in the statement of net position and amortized as interest expense in the statement of activities through the life of the note payable (2032).

NOTES PAYABLE:

NFL Holdings loan	(1,416,486)
Rodeo loan	(237,689)
Video board loan	(16,709,208)
Musco Lighting	(900,000)

HARRIS COUNTY SPORTS & CONVENTION CORPORATION
(A Component Unit of Harris County, Texas)

**RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES, AND CHANGES IN
FUND BALANCE OF GOVERNMENTAL FUNDS TO THE STATEMENT OF ACTIVITIES
YEAR ENDED FEBRUARY 28, 2015**

NET CHANGE IN FUND BALANCES—Total governmental funds \$ 8,067,230

Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of these assets is allocated over their estimated useful lives and reported as depreciation expense. This is the amount by which disposals and depreciation in the current period exceeded capital outlay.

NET CHANGE IN CAPITAL ASSETS (379,487)

Under the modified accrual basis of accounting used in the governmental funds, expenditures are not recognized for transactions that are not normally paid with expendable available financial resources. In the statement of activities, however, which is presented on the accrual basis, expenses and liabilities are reported regardless of when financial resources are available. In addition, interest on long-term debt is recognized as it accrues rather than when due under the modified accrual basis of accounting. Deferred charges consist of net issuance costs related to long-term liabilities. The amounts paid in issuance costs are from governmental funds and reduce fund balance in the governmental fund-level financial statements. Amounts are deferred in the statement of net position and amortized as interest expense in the statement of activities through the life of the note payable (2032).

PROCEEDS FROM ISSUANCE OF DEBT (1,020,068)

PAYMENTS ON LONG-TERM LIABILITIES:

HARRIS COUNTY SPORTS & CONVENTION CORPORATION

(A Component Unit of Harris County, Texas)

NOTES TO THE BASIC FINANCIAL STATEMENTS AS OF AND FOR THE YEAR ENDED FEBRUARY 28, 2015

1. THE FINANCIAL REPORTING ENTITY

The Harris County Sports & Convention Corporation (the “Corporation”), a component unit of Harris County, Texas (the “County”), was created by the Commissioners Court of Harris County, Texas (the “Court”) on January 26, 1999, as a local government corporation under the Texas Transportation Act for the purposes of aiding and acting on behalf of the County in managing, operating, maintaining, and developing the sports and entertainment complex located on property owned by the County, known as the Astrodomain Complex (the “Complex”), which is currently known as the NRG Park Complex. This includes developing and implementing a long-term management plan for the facility, development of other sports and entertainment facilities and other site development, and transportation issues related to the management and development of the Complex.

The Corporation is a public nonprofit corporation incorporated under the Texas Nonprofit Corporation Act. The Corporation is governed by a board of directors consisting of five members, appointed and approved by the Court. The Corporation is a component unit of the County, under the Governmental Accounting Standards Board (GASB) Statement 14, *The Financial Reporting Entity*, which defines the reporting entity. The basic financial statements of the Corporation are included as a blended component unit of the County’s basic financial statements, as the members of the Corporation’s governing board are appointed by the Court.

The Corporation entered into a lease agreement with the County on April 7, 1999, in which the County transferred and assigned to the Corporation its rights, title, and interest in a leasehold purchase agreement for the management and development of the Complex and letter agreement dated October 19, 1998, between the County, Harris County Houston Sports Authority (“Sports Authority”), the Houston Livestock Show and Rodeo, Inc. (HLSR), Houston NFL Holdings, L.P. (the “NFL Club”), the City of Houston, and the Metropolitan Transit Authority of Harris County relating to the development and management of a 69,000-seat stadium facility for use by a NFL team.

The Corporation entered into a property management agreement with LMI/HHI, Ltd., d/b/a Leisure Management International (“LMI”) to manage, operate, and market the Complex. Effective March 1, 2004, the agreement was amended and restated, whereas LMI, a wholly owned subsidiary of SMG assigned all of its rights under the original agreement to SMG and SMG assumed all of LMI’s obligations thereunder. SMG is paid a management fee for its services.

In October 2000, the Corporation entered into an agreement with Reliant Energy, Inc. to transfer the naming rights to the Complex, then known as Reliant Park. This 32-year agreement transferred the naming rights for the Complex and associated buildings to Reliant Energy, Inc., including the football stadium, exposition center, NRG Astrodome, and NRG Astroarena. Reliant Energy, Inc. was subsequently acquired by NRG Energy and the naming rights transferred. In March 2014, NRG Energy and the Corporation’s Board agreed to rename Reliant Park and all facilities as NRG Park.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the Corporation conform to accounting principles generally accepted in the United States of America (U.S. GAAP) applicable to governmental units as promulgated by the GASB. A summary of the Corporation's more significant accounting policies is as follows:

Financial Statement Presentation, Measurement Focus, and Basis of Presentation

Corporation-Wide Statements—Corporation-wide basic financial statements consist of the statement of net position and the statement of activities. The basic financial statements report information on all of the nonfiduciary activities of the Corporation. The Corporation reports operating activities only, which normally are supported by revenues from operations.

The Corporation-wide basic financial statements are prepared using the economic resources measurement focus and the accrual basis of accounting. Under this measurement focus, revenues are recorded when earned and expenses are recorded at the time liabilities are incurred, regardless of the timing of cash flows.

The statement of activities demonstrates the degree to which the direct expenses of the Corporation's programs are offset by those programs' revenues. Program revenues include 1) charges to customers who purchase, use, or directly benefit from goods, services, or privileges provided by the program and 2) grants and contributions that are restricted to meeting the operational and/or capital requirements of a particular program. Program revenues are generated from events held at NRG Park.

Fund Accounting—The Corporation's accounts are maintained in accordance with the principles of fund accounting to ensure that limitations and restrictions on the Corporation's available resources are observed. The principles of fund accounting require that resources be classified for accounting and reporting purposes into funds in accordance with activities or objectives specified for those resources. The Corporation is considered a separate accounting entity, and its operations are accounted for in a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures.

Governmental funds are used to account for the Corporation's activities using the flow of current financial resources measurement focus. The Corporation uses the general fund, a governmental fund type, to account for its operations. The Corporation is responsible for overseeing the development and improvement of capital facilities at the Complex, under the terms of the lease agreement with the County. Capital expenditures for the development and improvement of the Complex are financed either by the County or the Sports Authority. Ownership of all capital improvements remains with the County, under terms of the lease agreement. Expenditures for capital improvements made by the Corporation with County funds are recorded as capital expenditures by the County at the time the funds are transferred to the Corporation and the County includes those expenditures as additions to the County's fixed assets. Capital expenditures related to the construction of the NFL stadium were recorded and disbursed by the Sports Authority and were not reflected as expenditures by the Corporation.

Basis of Accounting—Basis of accounting refers to the timing of the measurements made, regardless of the measurement focus applied, and determines when revenues and expenditures are recognized in the accounts and reported in the basic financial statements. The fund financial statements of the Corporation are presented on the modified accrual basis of accounting. Revenues are recognized when they become measurable and available to finance expenditures of the current period. Expenditures are recognized when the related fund liability is incurred. Those revenues susceptible to accrual prior to receipt are interest earnings on the Corporation's demand deposit account and the money market account and have a 60-day availability period.

Cash and Cash Equivalents—The Corporation considers all financial instruments with a maturity of three months or less at the time of purchase to be cash equivalents.

Capital Assets—Capital expenditures are recorded in the governmental fund type. At the government-wide level, the Corporation capitalized equipment that is relatively permanent and of significant value. Relatively permanent is defined as a useful life of one year or longer. Significant value is defined as \$5,000 or more. All costs related to the construction and improvement of capital assets at the Corporation are considered additions to the County’s capital assets and are not accounted for as capital expenditures by the Corporation.

Net Position and Fund Balances

Net Position Classifications—Net position in the government-wide financial statements are classified in three categories: (1) net position invested in capital assets, net of related debt; (2) restricted net position; and (3) unrestricted net position. Net position is shown as restricted, if constraints placed on its use are either (1) externally imposed by creditors, grantors, contributors, or laws or regulations of other governments or (2) imposed by law through constitutional provisions or enabling legislation. The Corporation’s restricted net position is restricted for debt service and certain capital items.

Classification of Fund Balance—In the fund financial statements, the governmental fund reports fund balance in the following three categories: (1) nonspendable, (2) restricted, and (3) unassigned. Fund balance should be reported as restricted when constraints placed on those resources are either (1) externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws and regulations of other governments or (2) imposed by law through constitutional provisions or enabling legislation. The Corporation’s resources held on behalf a third party are restricted based on the terms of the documents governing those resources. The Corporation’s lease agreement for the facilities owned by the County specifies funding requirements for the capital repair and replacement expenditures in those facilities. The funds to pay for those expenditures are restricted. Fund balance is classified as restricted based on the Corporation’s lease agreement with the County.

The Corporation has funds set aside for capital repair costs. The Corporation considers restricted amounts to have been spent from restricted fund balance when available.

Use of Estimates—The preparation of basic financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the basic financial statements and the reported amounts of revenues and expenditures during the reporting period. Actual results may differ from those estimates.

3. DEPOSITS AND SHORT-TERM INVESTMENTS

Deposits—Chapter 2257 of the Texas Government Code is known as the Public Funds Collateral Act. This act provides guidelines for the amount of collateral that is required to secure the deposit of public funds. Federal Depository Insurance Corporation (FDIC) coverage is available for funds deposited at any one financial institution up to a maximum of \$250,000 each for demand deposits, time and savings deposits, and deposits pursuant to indenture. The Public Funds Collateral Act requires that the deposit of public funds be collateralized in an amount not less than the total deposit, reduced by the amount of FDIC insurance available.

The custodial credit risk for deposits is the risk that the Corporation will not be able to recover deposits that are in the possession of an outside party. Deposits are exposed to custodial risk if they are not

insured or collateralized. At February 28, 2015, all the Corporation's funds were invested and the carrying amount of the Corporation's demand and time deposits was \$101,869. The Corporation's deposits are not exposed to custodial risk since all deposits are either covered by FDIC insurance of collateralized with securities held by the Corporation or its agent in the Corporation's name, in accordance with the Public Funds Collateral Act.

Investments—Chapter 2256 of the Texas Government Code is known as the Public Funds Investment Act. This act authorizes the Corporation to invest its funds pursuant to a written investment policy that primarily emphasizes the safety of principal and liquidity, addresses investment diversification, yield, and maturity.

The Corporation's investment policy is reviewed and approved annually by the Board of Directors. The investment policy includes a list of authorized investment instruments, a maximum allowable stated maturity by fund type, and the maximum weighted-average maturity of the overall portfolio. Guidelines for diversification and risk tolerance are also detailed within the policy. Additionally, the policy includes specific investment strategies for fund groups that address each group's investment options and describes the priorities for suitable investments.

Corporation funds may be invested in the following investment instruments provided that such instruments meet the guidelines of the investment policy:

- a. Obligations of the United States or its agencies and instrumentalities.
- b. Direct obligations of the state of Texas or its agencies and instrumentalities.
- c. Collateralized mortgage obligations directly issued by a federal agency or instrumentality of the United States, the underlying security for which is guaranteed by an agency or instrumentality of the United States, with a stated final maturity of 10 years or less.
- d. Other obligations, the principal, and interest of which are unconditionally guaranteed or insured by or backed by the full faith and credit of this state or the United States.
- e. Obligations of states, agencies, counties, cities, and other political subdivisions of any state related as to investment quality by a nationally recognized investment-rating firm not less than AA or its equivalent.
- f. Certificates of deposit issued by a state or national bank domiciled in this state or a savings and loan association domiciled in this state that are guaranteed or insured by the FDIC or secured by authorized investments that have a market value of not less than the principal amount of the certificates.
- g. Fully collateralized repurchase agreements that the Corporation has obtained a signed master repurchase agreement with the company into which the agreement is entered, as authorized by the Public Funds Investment Act.
- h. Commercial paper with a stated maturity of 270 days or fewer from the date of issuance as authorized by the Public Funds Investment Act.
- i. No-load money market mutual funds regulated by the Securities and Exchange Commission (SEC), with a dollar weighted-average stated maturity of 90 days or fewer and which include in their investment objectives the maintenance of a stable net asset value of \$1 per share as authorized by the Public Funds Investment Act.

- j. Guaranteed investment contracts as authorized by the Public Funds Investment Act.
- k. Public funds investment pools as authorized by the Public Funds Investment Act.

Summary of Cash and Investments—The Corporation’s cash and investments are stated at fair value. A summary of cash and investments at February 28, 2015, held by the Corporation is as follows:

	Governmental Activities
Government-wide statement of net position:	
Cash and cash equivalents	\$ 20,539,522
Restricted cash and cash equivalents	381,844
Investments	<u>12,000,000</u>
	<u>\$ 32,921,366</u>

The Corporation reports cash received from the Sports Authority and the NFL Club for stadium operations, maintenance, and repairs as restricted cash in the balance sheet. The disbursement of these funds is overseen by a committee consisting of representatives from the Corporation, the NFL Club, and HLSR.

The table below indicates the fair value and maturity value of the Corporation’s investments as of February 28, 2015, summarized by security type. Also demonstrated are the percentage of total portfolio and the modified duration in years for each summarized security type.

Security	Fair Value	Percentage of Portfolio	Maturity Amount	Modified Duration (Years)	Credit Rating S&P/Moody’s
Money market mutual funds:					
Dreyfus Cash Management	\$ 20,437,653	62.28 %	\$ 20,437,653	N/A	AAAm/Aaa
Fidelity Institutional Class I Treasury	381,844	1.16	381,844	N/A	AAAm/Aaa
Local Governments—					
Sports Authority	<u>12,000,000</u>	<u>36.56</u>	<u>12,000,000</u>		Not Rated
Total investments	32,819,497	<u>100.00 %</u>	<u>\$ 32,819,497</u>		
Demand and time deposits	<u>101,869</u>				
Total cash and investments	<u>\$ 32,921,366</u>				

Risk Disclosures

Interest Rate Risk—All investments carry the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment the greater the sensitivity of its fair value to changes in market interest rates. One of the ways that the Corporation manages its exposure to interest rate risk is by purchasing a combination of shorter- and longer-term investments and by matching cash flows from maturities so that a portion of the portfolio is maturing evenly over time as necessary to provide the cash flow and liquidity needed for operations.

According to the Corporation investment policy, no more than 25% of the portfolio, excluding those investments held for future capital expenditures, debt service payments, bond fund reserve accounts, and capitalized interest funds, may be invested beyond 24 months. Overall, the average maturity of the portfolio, with the previous exceptions, shall not exceed two years.

Credit Risk and Concentration of Credit Risk—Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. Concentration of credit risk is the risk of loss attributed to the magnitude of an investment in a single issuer. The Corporation mitigates these risks by emphasizing the importance of a diversified portfolio. All funds must be sufficiently diversified to eliminate the risk of loss resulting from overconcentration of assets in a specific maturity, a specific issuer, or a specific class of securities. In particular, no more than 50% of the overall portfolio may be invested in time deposits, including certificates of deposit, of a single issuer. Concentration by issuer for other investment instruments is not specifically addressed in the investment policy. However, the policy does specify that acceptable investment instruments must have high-quality credit ratings and, consequently, risk is minimal.

The Corporation's investment policy establishes minimum acceptable credit ratings for certain investment instruments. Securities of states, agencies, counties, cities, and other political subdivisions must be rated as to investment quality by a nationally recognized investment-rating firm as AA or its equivalent. Money market mutual funds and public funds investment pools must be rated Aaa by Moody's Investor Rating Service.

At February 28, 2015, the Corporation maintains investments made during a previous year of \$12 million in the Sports Authority's Subordinate Lien Notes Series 2001 C-1 and Series 2001 C-2 that are not in compliance with Chapter 2256 of the Texas Government Code because the notes did not receive a rating from at least one nationally recognized investment-rating firm.

Custodial Credit Risk—Investments are exposed to custodial credit risk if the investments are uninsured, are not registered in the Corporation's name, and are held by the counterparty. In the event of the failure of the counterparty, the Corporation may not be able to recover the value of its investments that are held by the counterparty. As of February 28, 2015, all of the Corporation's investments are held in the Corporation's name.

Foreign Currency Risk—Foreign currency risk is the risk that fluctuations in the exchange rate will adversely affect the value of investments denominated in a currency other than the U.S. dollar. The Corporation's investment policy does not list securities denominated in a foreign currency among the authorized investment instruments. Consequently, the Corporation is not exposed to foreign currency risk.

Fund Investment Considerations—The investment policy outlines specific investment strategies for each fund or group of funds identified on the Corporation basic financial statements. The two investment strategies employed by the Corporation are the Matching Approach and the Barbell Approach. The Matching Approach is an investment method that matches maturing investments with disbursements. Matching Approach requires an accurate forecast of disbursement requirements. The Barbell Approach is an investment method where maturities are concentrated at two points, one at the short end of the investment horizon and the other at the long end.

4. CURRENT NOTES AND RECEIVABLES AND DUE FROM HARRIS COUNTY

At February 28, 2015, amounts due from Harris County consisted of \$1,798 related to parking space rental. At February 28, 2015, receivables included \$74,173 due from the NFL Club, \$38,949 due from

the HLSR related to funding for capital project and other stadium-related expenditures, and \$6,867,883 from SMG for operations of the Complex. No allowance for uncollectible accounts has been recorded as management believes all receivables will be collected. The other receivables totaling \$18,785 relate to sponsorship and park operations.

5. CAPITAL ASSETS

Capital assets of the Corporation consist of equipment that is used in the Complex's operations and benefit more than a single fiscal year.

Capital assets of the Corporation are defined as assets with individual costs of \$5,000 or more and estimated useful lives in excess of one year. Capital assets are depreciated in the government-wide basic financial statements using the straight-line method over the useful lives of 3–20 years.

Capital asset transactions are summarized as follows:

	Balance March 1, 2014	Additions	Disposals and Transfers	Balance February 28, 2015
Equipment	\$ 9,524,903	\$ 70,833	\$ -	\$ 9,595,736
Accumulated depreciation	<u>8,535,967</u>	<u>450,320</u>	<u> </u>	<u>8,986,287</u>
Total	<u>\$ 988,936</u>	<u>\$ (379,487)</u>	<u>\$ -</u>	<u>\$ 609,449</u>

Depreciation expense totaled \$450,320, which is recorded in facilities and equipment expenses in the statement of activities.

The County has assigned the responsibility of overseeing capital repairs in NRG Park to the Corporation as part of the lease agreement entered into with Corporation for the operations and maintenance of NRG Park. The County has also requested that the Corporation oversee the acquisition and management of the property insurance coverage at NRG Park.

6. LONG-TERM DEBT AND UNEARNED/UNAVAILABLE REVENUE

Changes to the Corporation's long-term debt obligations were as follows:

	Principal Balance March 1, 2014	Issued	Payment	Principal Balance February 28, 2015	Current Portion
NFL Holdings Loan—					
Equipment financing	\$ 1,416,486	\$ -	\$ -	\$ 1,416,486	\$ 724,637
HLSR Loan	237,689			237,689	
Artificial turf financing	187,487	12	187,499		
Video board loan	16,589,140	120,068		16,709,208	9,600,000
Capital lease notes payable—					
StageRight Warning Track Loan	208,172		208,172		
Lease purchase—sports lighting		900,000		900,000	171,921
Advance from Harris County	<u>12,000,000</u>	<u> </u>	<u> </u>	<u>12,000,000</u>	<u> </u>
Total	<u>\$ 30,638,974</u>	<u>\$ 1,020,080</u>	<u>\$ 395,671</u>	<u>\$ 31,263,383</u>	<u>\$ 10,496,558</u>

Harris County Capital Funding Advance—In November 2002, the Court approved funding the Corporation’s \$12 million capital improvement request originally approved on July 24, 2001, that would secure a subordinate funding commitment from the Sports Authority. The Corporation used the \$12 million funding from the County to purchase two subordinate lien notes from the Sports Authority—the \$9 million Series 2001 C-1 Subordinate Lien Note maturing on February 15, 2032, and the \$3 million Series 2001C-2 Subordinate Lien Note maturing on March 1, 2032. The Series 2001 C-1 note was then assigned to the HLSR as collateral for a loan agreement as previously described and the repayment of the funding advance to the County was redirected to a Stadium Renewal & Replacement fund. Upon completion of this transaction, the Sports Authority was able to provide funding of \$12 million to the Corporation to complete the NRG (formerly Reliant) Stadium project. The principal and interest on the Series 2001 C-1 and C-2 Notes are secured by an irrevocable subordinate lien on and pledge of the residual revenues of the Sports Authority.

In November 2003, the Corporation and the Sports Authority executed the first omnibus modification of \$12,000,000 Lien Notes. Under the terms of the amendment, the principal amount on the Series 2001C-1 Note was reduced to \$7,000,000 and the interest rate was reduced from 9.5% to 7% and the principal amount on the Series 2001C-2 Note was increased to \$5,000,000 and the interest rate was reduced to 0%. As a consideration for this transaction, the Sports Authority paid the Corporation \$5,000,000 to be used for stadium improvement purposes.

NFL Club Loan Agreement—In August 2010, the Corporation and NFL Club began negotiating the terms of an agreement to provide funding by the NFL Club for the costs to be incurred for the purchase and installation of a point-of-sales (POS) system in the stadium, audiovisual upgrades in the stadium, and a warning track for the stadium. The initial commitment for each was \$2,750,000 for the POS system, \$2,750,000 for the audiovisual upgrade, and \$600,000 for the warning track. A promissory note was issued to evidence the terms of this loan agreement. The repayment schedule was developed using a total of \$5,993,102 to be drawn under the loan agreement. The initial loan agreement was finalized in August 2011. The loan agreement and promissory note were restructured in May 2014 with a revised amount of \$5,941,541.

The warning track financing agreement with StageRight was retired in fiscal year 2014–2015 with a final payment of \$208,172.

HLSR Loan—In January 2012, the Corporation and the HLSR received approval from the board of directors for a loan agreement to provide funding related to the purchase and installation of audio speakers and supporting infrastructure to the standing room area of the Level 1 Concourse in NRG Stadium. The loan will be paid with one payment due in December 2016. The loan agreement was finalized in August 2012.

Houston NFL Holdings/HLSR Video Board Loan—On December 19, 2012, the Corporation entered into an agreement with Mitsubishi Electric Power Products, Inc. to manufacture and install a large-scale video display board above each end zone in NRG Stadium. The video display board is estimated to cost in excess of \$16 million to manufacture and install. The Corporation is financing the project with a loan from the HLSR and the NFL Club. Terms for the promissory notes totaling \$16,709,208 were approved by the HCSCC board of directors in May 2014.

Musco Sports Lighting—In July 2014, the Corporation entered into a lease purchase agreement with Musco Lighting to provide 504 LED sports lighting fixtures to be installed in NRG Stadium. The \$1.9 million dollar agreement was partially financed by a onetime contribution from NRG Energy of one million dollars. The balance remaining, plus interest, will be financed over the following five years’ period.

Annual debt service requirements to maturity as of February 28, 2015, are as follows:

Period	Equipment Financing			County Funding Advance		
	Principal	Interest	Total	Principal	Interest	Total
2016	\$ 10,496,558	\$ 1,046,843	\$ 11,543,401	\$ -	\$ -	\$ -
2017	4,601,309	572,756	5,174,065			-
2018	1,978,429	220,077	2,198,506			-
2019	1,994,555	121,815	2,116,370			-
2020	192,532	7,466	199,998			-
2021–2036				12,000,000		12,000,000
	<u>\$ 19,263,383</u>	<u>\$ 1,968,957</u>	<u>\$ 21,232,340</u>	<u>\$ 12,000,000</u>	<u>\$ -</u>	<u>\$ 12,000,000</u>

Unearned/Unavailable Revenue—The Corporation has unearned or unavailable revenue in the governmental funds of \$10,955,875 as of February 28, 2015, consisting of \$9,206,830 from the Sports Authority for accrued interest on the notes receivable, \$1,482,563 from the NFL Club relating to naming rights funding received but not earned, and \$266,482 in escrow funding for stadium project expenses directed by Houston NFL Holdings. The Corporation received naming rights income as specified in the Stadium Tri-Party Agreement dated May 17, 2001, between the NFL Club, HLSR, and the Corporation. The various related agreements expire in 2032 and entitle the Corporation to certain allocated naming rights income through the termination date. The Corporation recognizes this revenue as it is earned.

7. NRG PARK COMPLEX

Facilities Lease Agreement—The Corporation entered into an agreement with the County on April 7, 1999, the Second Amended and Restated Lease Agreement (the “Lease Agreement”) that assigned to the Corporation the County’s rights, title, and interest in and to (a) the leasehold purchase agreement, (b) the NFL agreement, and (c) certain other agreements and rights related to the Complex, or NRG Park. The purpose of the Lease Agreement is to provide for the operation, management, maintenance, and development/redevelopment of NRG Park in order to aid the County in providing a public community, sports, entertainment, convention and exhibition venues, and facilities for the benefit of the County and the public. The Lease Agreement commenced on April 7, 1999, and expires on December 31, 2030. The Corporation has the right to extend the term of the Lease Agreement on the same terms and conditions for an additional 15 years. Under the terms of the Lease Agreement, the County is responsible for funding capital repair, replacement and improvement expenditures, as well as all utilities used at NRG Park. Operating expenditures of the Corporation are partially funded by the County through the County’s annual budget process. Amounts funded by the County to the Corporation for operating expenditures are transferred as requested.

NRG Park Concessions Agreement—In December 2002, the Corporation, the NFL Club, and HLSR entered into an amended and restated agreement with the concessionaire for NRG Park, Aramark. The agreement specifies that Aramark shall provide food, beverage, concession, catering, and retail merchandise services for NRG Park through March 31, 2017. Upon execution of this agreement, Aramark provided the Corporation and the Houston Texans with \$7.5 million to fund certain concession build-out costs and related fixtures and equipment.

NRG Park Complex Management (Facilities Management)—On February 14, 2000, the Corporation entered into a Facilities Management Agreement (the “Management Agreement”) with Leisure Management to provide management services for the facilities at the Complex. Under the terms of the Management Agreement, Leisure Management will manage, operate, and market the facilities at the Complex. Leisure Management is a wholly owned subsidiary of SMG, a Philadelphia-based joint venture between Aramark and Hyatt Hotels and Resorts. The Management Agreement is for an initial

period of three years and commenced on April 1, 2000. The Management Agreement can be renewed and extended for three successive renewal periods of three years each.

The base fee to be paid for the facilities management services is \$300,000 per year until the opening date for the new stadium, at which time the base fee will increase to \$450,000 per year. After the close of the second fiscal year of the Management Agreement, the base fee will be adjusted by a percentage equal to the lesser of 3% of the then-current base fee, or the increase in the Consumer Price Index. In addition to the base fee, the facilities manager will also receive an annual performance payment in an amount not to exceed \$100,000. Sixty percent of this performance payment is payable based on operating revenues actually received compared to the amount budgeted. Forty percent of performance payment is based on qualitative factors determined by the Corporation. The Corporation has expensed \$568,209 for the facilities management services and \$100,000 for the annual performance bonus for the period ended February 28, 2015.

The facilities manager is obligated to pay all expenditures in connection with the maintenance, use, repair, and occupancy of the facilities at the Complex, except for capital expenditures and utilities. Capital expenditures and utility expenditures are to be funded by the County.

The current agreement expired February 28, 2015. The Corporation went through a bid process for ongoing facility management services. The Corporation's Board awarded the new facility management contract to SMG and is in the process of negotiating a new contract.

NFL Stadium—On October 18, 1998, Houston, the County, the Metropolitan Transit Authority of Harris County, the HLSR, the NFL Club, and the Sports Authority entered into a letter agreement (the "Project Agreement") that governs the construction, financing, and use of a new multipurpose, retractable roof sports and entertainment facility (the "Stadium") designed to support the occupancy of a NFL franchise by the NFL Club, the annual rodeo of the HLSR, and other sporting and entertainment events.

On February 16, 2000, a second letter agreement (the "Second Letter Agreement") was entered into between the Corporation (the successor in interest to the County), the Sports Authority, the HLSR, and the NFL Club. This letter agreement modified and supplemented the terms of the agreement dated October 19, 1998, and together provided the basis by which the parties finalized the Project Agreement, the principal definitive document governing the development, and construction of the Stadium.

The Second Letter Agreement provides that the Stadium will be located on property owned by the County at and adjacent to the Complex, with additional parking facilities to be located on property made available by HLSR. The letter agreement further provides that the Stadium be constructed based on a guaranteed maximum price contract that requires the contractor to pay substantial monetary liquidated damages for failure to complete the Stadium by the agreed-upon completion dates.

On May 17, 2001, the Sports Authority issued bonds to finance certain costs of acquiring, constructing, and equipping the Stadium. In connection with this financing, 10 principal project development documents were issued that set forth the obligations of the Corporation, the Sports Authority, the HLSR, and the NFL Club. Under the terms of the agreements, the Corporation is responsible for constructing, operating, and maintaining the project. The Sports Authority is responsible for the repayment of the bonds and has secured pledges of funding from the various parties to the agreements, including a pledge of up to \$4 million annually by the Corporation of parking revenues. These bonds were paid off in May 2014 and, therefore, no longer require a \$4 million pledge from the Corporation.

NRG Stadium Lease Agreements—In May 2001, the Corporation entered into 30-year lease agreements with the HLSR and the NFL Club for the use of NRG Stadium. Under terms of the lease, the NFL Club will pay a guaranteed payment of \$4,010,000 and the HLSR will pay a guaranteed payment of \$1,500,000 annually for the use of the facility. The NFL Club will pay an additional guaranteed payment of \$2,954,814 annually. In connection with the issuance of the Sports Authority bonds issued to finance certain costs of acquiring, constructing, and equipping the Stadium, the Corporation assigned all NFL Club-guaranteed payments and additional club payments to the Sports Authority and assigned all Rodeo lease payments to the Sports Authority for the payment of principal and interest on the Miscellaneous Club Revenue Bonds, Additional Landlord/Tenant Bonds, and the Miscellaneous Rodeo Revenue Bonds.

8. OPERATING LEASES

The Corporation leases office and equipment under a noncancelable operating lease. Total costs for such lease was \$3,788 for the year ended February 28, 2015. The Corporation entered into a new lease beginning March 1, 2015. This lease is for 39 months at \$852 per month, divided by fiscal year as follows:

Year Ending February 28	Amount
2016	\$ 10,224
2017	10,224
2018	10,224
2019	2,556

9. CONTINGENCIES

The Corporation is subject to claims and contingent liabilities in the normal course of its operations. The Corporation does not believe the resolution of these matters will have a material effect on its financial position.

10. SUBSEQUENT EVENTS

At the March 18, 2015, Board meeting, the Corporation's Board agreed to an early payoff of the Houston Livestock Show and Rodeo, Inc., SRO Loan, and Houston NFL Holdings L.P. POS Loan. Outstanding amounts plus accrued interest and issuance costs were remitted to the Rodeo and the NFL Club on April 1, 2015.
